To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Development Department, Bangalore.

Sir,

Subject:- Regarding the withdrawal of the extra rate of 6¼% commission allowed to teacher purchasers by the Govt.Branch Book Depot keepers.

Sir,

I have the honour to state that in according with the existing rules, the Government Book Depot keepers are allowed a commission of 15% (per cent) on the sales effected by them and they are further permitted to allow 6¼% commission to the teacher purchasers.

The commission of 6¼% is ,therefore,an extra expenditure and a concession to the Government Branch Depot keepers. This concession is not allowed to Government Book Selling Agents. Besides, it is also found that the said concession is likely to be misused by some Branch Depot keepers,as it was in the case of the Branch Depot keeper, Saligrama (Mysore District) who drew the commission in excess. The recovery of this excess is being arranged in consultation with the District Educational Officer,Mysore District, Mysore. The Director of Public Instruction in Mysore,Bangalore who was addressed to in the matter, has, in his letter No.T1-6793. 213 of 38-39 dated 10/12th July 1939 also approved of the suggestion made by this office. A copy of the Director of Public Instruction's letter in question is herewith enclosed for kind reference.

Under the aircumstances, I beg to suggest that the extra commission of 6¼% which is now being allowed to the Government Branch Book Depot keepers on the sales made by them to the teacher purchasers, be withdrawn and the commission fixed at 15% only, so that the rate of commission may be uniform both in the case of the Government Book Selling Agents and the Branch Depot keepers.

This arrangement will be brought into force from the next year (i.e.from 1st May 1940) on receipt of orders of Government, after notifying the fact in the Mysore Gazette. I solicit the approval of Government for the above proposals.

I have the honour to be,
Sir,
Your most obedient servant

Ag.Superintendent.

Copy of letter No.Tl-6793-213 of 38-39 dated the 10th July 1939 from the Director of Public Instruction in Mysore, Bangalore to the Superintendent, Government Central Book Depot, Banglore.

With reference to your letter No.5999 dated the 26th June 1939 requesting opinion on the withdrawal of the 6¼% commission allowed by the Branch Book Depot keepers to teacher purchasers and fixing an uniform rate of discount of 15% to Branch Depot keepers and Government Book Selling Agents, I have the honour to state that your suggestion seems to be fair and the Department has no objection to such a procedure being adopted.

SIR,

With reference to your letter No.A. & F. 505/P. & S. 18-39-2 dated 16th August 1939 requesting to be furnished with certain details regarding the withdrawal of the extra commission of 6¼% that is now being allowed to teacher purchasers by the Government Branch Book Depot Keepers, I have the honour to state that the rules relating to the allowance of 6¼% commission to teacher purchasers has been in practice from a long time, perhaps ever since the Government Branch Book Depots were started. The Director of Public Instruction in Mysore, Bangalore has also been requested in this Office letter No.1857 dated 27th September 1939 to kindly furnish further details in the matter as this Book Depot was under his control formerly and his reply is awaited.

The average commission allowed to teacher purchasers for the last three years from 1936-37 to the end of 1938-39 is ~~about~~ about Rs.74/-, as seen from the enclosed statements.

A sum of Rs.75/- may, therefore, be taken as the probable savings under this head per annum.

There would not be any considerable decrease in the sales on account of the proposed withdrawal of the extra commission of 6¼% to teacher purchasers as sales have been made by some Book Depot Keepers directly without allowing the said commission.

12

Three separate statements showing the amount of commission allowed to the Government Branch Book Depot Keepers and to teacher purchasers for the past three years from 1936-37 to the end of 1938-39 are herewith submitted for the information of Government.

COMMITTEE ON CO-OPERATION IN MYSORE.

QUESTIONNAIRE.

MEMORANDUM.

This Committee was appointed by the Government of Mysore on 29th October 1935, for the purpose of enquiring into the present state of the Co-operative Movement in Mysore in its various forms, with reference not only to co-operative credit but also to co-operative production, distribution and sale, as well as to house building, insurance and other relatively less developed fields of co-operative activity. Among matters that will engage the attention of the Committee, the investigation of the financial system generally, including the connection between the various parts of the co-operative organization and the working and future development of Land Mortgage Banks, will occupy an important place. The instructions to the Committee include also an enquiry into the most appropriate methods of promoting efficiency and convenience in such matters as propaganda, supervision, control and management of institutions and the disposal of co-operative disputes.

In order to facilitate the enquiry as well as to give a full opportunity to all persons interested to place before the Committee their considered views and suggestions, a detailed set of questions arranged under various heads, has been drawn up, and the same is published for general information. There are several questions of general interest dealing with matters such as may be within the knowledge or experience of a large number of persons who are not immediately or directly connected with the day-to-day working of particular types of societies, and at the same time some questions are of a technical nature which only those actually engaged in the administration of societies can be in a position to deal with. It is not expected, therefore, that all persons will be inclined to take up all the questions, nor on the other hand is it the intention to limit the expression of opinions and suggestions to only those points which are covered by the questionnaire. The Committee will welcome all expressions of views on any matter within the scope of the enquiry whether included in the questionnaire or not.

It is particularly requested that answers may be furnished as soon as possible, and not later than the 1st January 1936, to the address of the Secretary to the Committee on Co-operation in Mysore, Public Offices, Bangalore.

Copies of the questionnaire may be had on application to that officer.

BANGALORE,
Dated 21st Nov. 1935.
